DECISION

The National Labor Relations Board, by a three-member panel, has considered objections to an election held on September 3, 2010, and the Regional Director's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 26 for and 12 against the Petitioner, with 5 challenged ballots, an insufficient number to affect the results.

The Board has reviewed the record in light of the exceptions and brief, and has adopted the Regional Director's findings and recommendations.¹
